Scope of Services

We are pleased to render services for your benefit and the benefit of any other person as requested by you.

While doing so, we will provide you with information and recommendations but will never oblige you to carry out any action. Thus, any action taken by you is taken at your own risk and liability.

You shall not rely on any information or recommendation provided by us in relation to any matter beyond the subject of services rendered by us. No third person shall rely on any information, recommendation, or service provided by us.

Services and Fees

A comprehensive list of available services and applicable fees is set forth on [our website](#). The services are charged according to the price list indicated on the website, unless otherwise agreed upon individually and separately.

The prices may change after your engagement with us. In such cases the prices most recently updated prior to the commencement of the provision of the particular service will apply, regardless of the prices that were effective upon your first engagement. You are encouraged to inquire about the applicable fees.

The services are charged on either an hourly or a fixed-fee basis.

In the event of hourly services, the time charged includes the time spent rendering services to you including, but not limited to, the time our employees spend on telephone calls, e-mails, and other communications relating to your matters, including communications with you and any third persons necessary to liaise with to serve you.

Time is billed in minimum increments of one-tenth (0.1) of an hour (i.e., 6 minutes). The time billed may be rounded up to the nearest one-tenth (0.1) of an hour.

When ExpatHub is requested to work outside of its working hours, a double rate shall apply.

Billing and Retainer

When the services are charged on an hourly basis, we estimate the cost of our services and invoice you before the commencement of the provision thereof. You shall pay the invoice in advance in the form of a retainer. We will then bill against the retainer.

In case the retainer gets depleted, we will invoice you again, in advance. In such a case, you shall replenish the retainer as indicated in our invoice. We will NOT render services and/or charge any fees without your prior consent/confirmation.

Additionally, you shall reimburse all expenses borne by us for the purpose of rendering services to you (including government fees, notary fees, translation fees, courier fees, and other fees), unless otherwise agreed in advance.

Refund

If you cancel a work order that we have not started completing, we will issue a refund.

ExpatHub shall be entitled to keep the full amount of the retainer if the agreed services have been rendered fully or partially and you have failed or refused to take the required action(s).

The refund can be processed only via bank transfer to your Georgian bank account of your choice or any other foreign bank account. All fees associated with such transfer shall be borne by you (i.e., it shall be deducted from the refund amount).

For avoidance of any doubt, any transfer fees shall be paid by you, including transfer fees of transferring the refund amount to a foreign bank account.

The refund is carried out in Georgian National Currency - Georgian Lari.
