## Important to note

- You only need one routing number to send a payment — the one you use depends on whether you're sending an ACH or a wire transfer.
- ACH transfers are low-cost to send and are best for non-urgent payments — they usually take 2-3 working days to arrive.
- Wire transfers may cost you 20-30 USD, depending on your bank — they usually take 1 working day to arrive.
- Make sure to spell the account holder correctly — otherwise the payment may not arrive.
